

A Diamond Harbour and Bays Community project, aiming to restore and rejuvenate what we've lost and need to keep our community vibrant... together

Sublime Sounds at The Point

Relax with live music on a Sunday afternoon in Diamond Harbour
Every Sunday till 26 February 12-3pm

While we await deconstruction at the Godley site, SPRIG thought it might be good to get a little more happening here thus, Sunday afternoon live music is happening right through the Summer.

Come and join us for chilled out, lazy summer Sundays (almost) like they used to be!
DHB Rec Ground beside DHB Memorial Hall.
